

**PRESS
RELEASE!**

Comic Artist Lynn Johnston has done it again!

Lynn Johnston, creator of the beloved comic strip **For Better or For Worse**®, has just released the next three books in her **Alottabotz**® children's picture book series.

These three new books, *The Big Trip*, *A Little Kindness*, and *The Best Prize*, follow on the heels of Lynn's first three **Alottabotz**® books: *The Botshop*, *Marvellous Things*, and *A Dog With No Name*.

Alottabotz® is written and illustrated by Lynn in her unique, family-friendly style. Her charming and heart-warming stories follow the tales of Timothy Bot, a nine-year-old robot as he navigates life in a new community as the new kid in town. He learns the value of not only making new friends, but how to keep them, too.

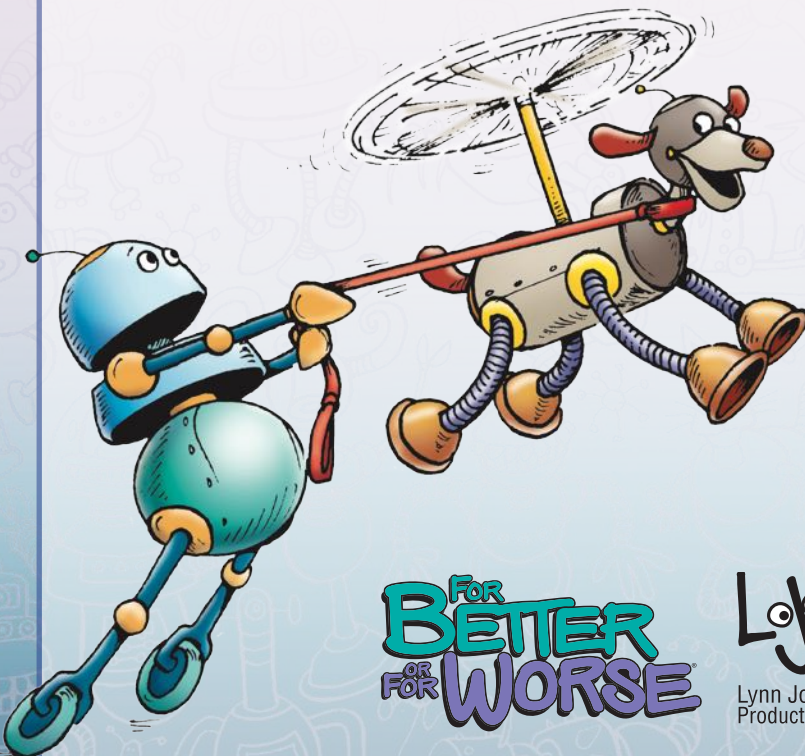

Each page features Lynn's spectacularly coloured drawings, which are filled with fun, unusual creatures and spaceships galore! Designed for youngsters aged three to six, but appreciated by all.

For Better or For Worse® is an internationally syndicated comic strip that has been published in newspapers continually since 1979. At its peak, **For Better or For Worse**® appeared in more than 2,000 newspapers in 23 countries, and was translated into 8 languages for a devoted readership of more than 220 million.
